1. I, the undersigned and student at the University of New Mexico – School of Architecture and Planning, understand that for security purposes the University locks at all times all studio chairs and/or stools to the studio desks used by the students.
2. I acknowledge that at my own election, I expressly requested the University to unlock the studio chair or stool currently locked to the studio desk assigned to me.
3. It has been explained to me and I am aware that the current replacement cost of (i) the cable connecting the chair or stool to the desk is approximately \$20 and (ii) the studio chair or stool is approximately \$400 (chair) / \$420 (stool).
4. I am aware and acknowledge that unlocking the studio chair / stool greatly increases the risk of the property being stolen from the University.
5. I agree that in consideration of the University granting my request that the stool / chair be unlocked, I shall be solely responsible for the chair / stool assigned to me until the end of the semester.
6. I agree to use the cable provided by the University but will obtain my own lock which will remain my own property at the end of the semester.
7. **I agree that in the event the cable and chair / stool is lost or stolen, I will be charged and shall pay the full replacement value of each item lost or stolen.**
8. **I understand that any amounts that remain unpaid may constitute a delinquent account with the University and I may be denied privileges and services available to students who are in good financial standing with the University; including, but not limited to, future class registrations, transcripts, readmission, future parking and library privileges.**
9. I acknowledge that I have carefully read this form before signing it. No representations, statement or inducements, oral or written, apart from the foregoing written statements, have been made.
