Dear Parent/Guardian:

A limited number of full scholarships are available for students who would not otherwise be able to attend Architecture + Design Summer Academy. Scholarships will be awarded on a **first come, first served basis in the order of received completed applications**. Waivers are limited to one student per family. To apply for a scholarship, the prospective student should write a short essay (up to 500 words) that answers the following questions:

- **Why do you want to attend Architecture + Design Summer Academy**
- **What inspires your interest in the fields of architecture, landscape architecture, city planning and/or historic preservation?**
- **What do you hope to get out of participating in A+D Summer Academy?**
- **Tell us a little bit about yourself– your background, your extra-curricular interests, places you’ve visited, favorite works of architecture, etc**

The essay must be submitted either as .docx or .pdf with “Student’s Name, Scholarship request” in the file name. Scholarship recipients will also be required to write a short essay after they have attended Architecture + Design Summer Academy, describing their experience during their chosen Session, and highlighting their favorite and least favorite aspects of the program.
