

1. **Name and Contact Information**

George Thomas Kapelos AB MCP MArch OAA FRAIC RPP MCIP
Associate Professor
Department of Architectural Science
Room ARC331, Architecture Building
Ryerson University
350 Victoria Street
Toronto, Ontario M5B 2K3
Tel: 416/979-5000 x 6510
Email: gkapelos@ryerson.ca

2. **Degrees and Education**

Master of Architecture, Yale University, 1993
Master of Architecture, first year studies, University of Virginia, 1989 – 1990
Master of City Planning, Harvard Graduate School of Design, 1975
Bachelor of Arts (Magna cum laude), Princeton University, 1971, Architecture and Urban Planning

3 **Academic, Teaching**

Associate Professor, Ryerson University, Department of Architectural Science (Toronto), 2000 – present, *Mode II Faculty, Teaching Focus*, Granted Tenure, 17 March 2003.

AR8105, Intensive Research Studio and Seminar, Spring 2009
IRN200, Instructor, Winter 2009
ASC301, Design Studio 2, Coordinator, 2008
ARC 041, Thesis, Coordinator, 2000 – 2001, 2001 – 2002
ARC 512, Theory III, 2000 – 2001 (part), 2001 – 2002 (full course), 2002 – 2003 (full course), 2003 – 2004 (full course), 2004 – 2005 (full course), 2005 – 2006 (full course), 2006 – 2007 (full course), 2008 – 2009
ARC 612, Theory IV, 2000 – 2001 (part), 2001 – 2002 (full course), 2002 – 2003 (full course)
ASC908, Selected Topics in Architecture, *Family Services Bureau*, Spring 2005
PMT 521, Housing I, 2001 – 2002, 2002 – 2003, (Course coordinator)
ASF 001, First Year Studio, Instructor, 2000 – 2001, 2001 – 2002
Frankfurt-Berlin Study Tour, Spring 2003

Assistant Professor and Visiting Professor, University of Toronto, School of Architecture, Landscape and Design (Toronto), 1988 – 2003, 2007 – 2009.

LAN2036F1, Graduate Seminar, “Canada: Nature Nation,” 2008
LAN2036F, Graduate Seminar, “Nature as a Cultural Construct,” 2007
LAN 1032S, Graduate Landscape Theory Seminar, 2003, 2002, 2001, 2000
LAN 502S, Senior Thesis, 2000
LAN 513F, Senior Seminar, 2000, 1999, 1998, 1997
ARC 428F, Designing for Television, 1999
LAN 1011F, Master of Landscape Architecture, first year design studio, 1999
First Year Design Critic, 1988

Lecturer, Harvard Design School, Career Discovery Program (Cambridge), Summer 2000

Teaching Assistant, Yale College (New Haven), 1992 - 1993

Adjunct Assistant Professor, Columbia University Graduate School of Architecture and Urban Planning,
Division of Historic Preservation (New York), 1983 - 1984
Preservation Theory
Preservation Planning

Part-time Instructor, Ryerson Polytechnical Institute, Department of Urban and Regional Planning
(Toronto), 1980 – 1982
Urban Design
Preservation Planning

4 Professional Practice

***Principal, George Thomas Kapelos Architect (Toronto), 2000 – OAA Certificate of Practice
Number 3645***

Lone Chimney Farm, Charlottesville, Virginia, new construction, \$650,000, site planning,
design, construction completed, 2007
Aylward Residence, Toronto, renovation, \$500,000, design, working drawings, construction
completed, 2007
Parsons Residence, renovation, \$200,000, design, 2005
Barr – Perry Residence, Toronto, renovation, \$100,000, construction completed, 2005
Flemming Residence, Toronto, renovation, \$75,000, construction completed, 2004
Nichols Residence, Toronto, renovation, \$40,000, preliminary design, 2002
Richmond Adelaide Centre, Open Space Plan, Invited Competition, with Ferris & Quinn
Landscape Architects, \$1.5 million, finalist, 2001
Bice Studio, London, renovation and new construction, \$40,000, completed 2001
Hubbard Residence, Stella, Amherst Island, renovation, \$150,000, preliminary design
completed, 2001

Principal, George Thomas Kapelos Design and Planning (Toronto), 1995 - 2000

Town of Halton Hills, *Glen Williams Heritage Conservation District*, Review of Planning
Documentation, 1999 – 2000
Design Consultant, *Royal Winter Garden*, Royal Winter Fair, Toronto, 2000
Lobby Interior / Sultan Street Housing Co-operative, Toronto, 2000
Parker / Schneiderman Residence, Toronto, renovation, design and municipal approvals,
\$30,000
Southdale Plaza, London, renovation to existing commercial centre, \$200,000, design and
contract administration
Hughes Peacock Residence, Niagara-on-the-lake, new construction, \$300,000, schematic
design and site planning, 1995
Barr-Perry Residence, Toronto, renovation, \$20,000 completed February 1996
121 Albert Street, London, renovation \$12,000, completed January 1996
Lowman-Bletcher Residence, Toronto, renovation and addition, \$25,000 working drawings,
1995

Design Competitions and Independent Consulting, 1982 – 1995

Consultant to the Ontario Historical Society, Mackenzie House Grounds Committee, 1994 -
1996
Invited Design Competition, Tip Top Tailors Site (Toronto), Barton Myers Associates, May
1994
Toronto Main Streets Competition, with Hope Hasbrouck and Michael Eastwood, May 1990

Consultant to the City of Toronto, Department of Planning and Development, *Committee Investigating the Future of the University of Toronto School of Architecture*, 1986
Consultant to the Toronto Historical Board, on Municipal Heritage Conservation Policies, 1984 - 1985
Consultant to the New Canadian Encyclopaedia, Hurtig Publications, Edmonton, 1983, 1988, 1997
Consultant to the Heritage Canada Foundation Main Street Canada Program (Ottawa) 1982

Architect (Intern), Quadrangle Architects Limited (Toronto), 1997 - 1999

The St. James (Toronto), residential condominium, \$18 million, working drawings, contract administration
Toronto Film Studios (Toronto) film production facility, \$500,000, design, design development, working drawings, contract administration, municipal approvals
St. James Cathedral (Toronto), parish house and residential development, \$20 million, programming, design development
Shepherd Gardens (Scarborough), Life Lease residential project, \$12 million, working drawings
155 University Avenue (Toronto), new canopy and plaza, \$350,000, contract administration
Made for Shade, Design Ideas Competition for the Canadian Dermatology Association, Project Coordinator with Leslie M. Klein, Professional Advisor

Humber College Master Plan, Taylor Hazell Architects (Toronto), 1997

Plan preparation, co-ordination with client and consultant co-ordination

Architect (Intern), Oleson Worland Architects (Toronto), 1996 - 1997

Greenwood Racetrack Public Park (Toronto), \$1.5 million, public park, schematic design
Queen / Trinity Housing Project (Toronto), private housing project, \$2.5 million, schematic design
Richmond Hill Montessori School (Richmond Hill), elementary school, \$3.2 million, design development, municipal approvals

Architect (Intern), A. J. Diamond, Donald Schmitt and Company (Toronto), 1994 - 1996

Baycrest Centre for Geriatric Care, long-term care facility, \$85 million, schematic design, design development, working drawings
City of York, Oakwood Branch Public Library, public library, \$2 million, schematic design through working drawings, tender and post tender addenda
IBM Headquarters (Markham), commercial office building renovation, \$2 million, working drawings
Yonge / Steeles Urban Design Study, Town of Markham, design and report
Ontario Motor Coach Association, Relocation of Toronto Bus Terminal, Feasibility Study
City of Kitchener Urban Design Guidelines, Report Development and presentation (with Green Scheels Pidgeon)
Cornwall Public Library, public library, \$4 million, design development, working drawings

Project Manager, Lundholm Associates Architects (Toronto), 1994

Master Plan for the National Museum of Science and Technology (Ottawa), site planning and design of exterior plaza elements

Architect (Intern), Hammond Beeby and Babka Architects (Chicago), 1993 - 1994

Farrell Library, Kansas State University (Manhattan), \$25 million, working drawings
Private Development (Hoffman Estates, Illinois), presentation drawings

Manager of Planning, Broadcast Centre Development Project (Toronto) 1984 - 1989

Reporting to Director of Planning and Development, responsible for administration of municipal approvals process for \$1 billion project in downtown Toronto, including 1.5 million square foot Broadcast Centre and 2.4 millions square foot mixed-use development; Managed architectural, legal and other consultants on development of site planning guidelines, building design principles, municipal planning strategies, market analysis and financial appraisals leading to issue of proposal call; With other staff, wrote prequalification and proposal calls, and developed and implemented process, which led to the selection of Cadillac Fairview Corporation as project developer; Worked with Cadillac Fairview to complete municipal approvals.

Development Coordinator, Fidinam Canada Limited (Toronto) 1982 - 1984

Reporting to the president, analysed development potential of over 100 sites in North America, including market analysis, planning and programmatic requirements, design options, construction costs, marketing strategies, leasing campaigns and program preparation; Assisted with tax abatement on property under development, creation of computer programs for financial sensitivity analysis, marketing of four building projects under construction, and corporate public relations.

Heritage Planner, Ontario Ministry of Culture and Recreation (Toronto) 1975 - 1980

Administration of provincial heritage conservation grant program, project development and planning
Developed Ministry and Ontario Heritage Foundation conservation program and policy, including procedures for Heritage Conservation District Plans from preparation of terms of reference, through to final review;
Advocated, advised and assisted with the establishment of heritage conservation programs to over 1200 municipal councils, planning boards, citizen groups and Local Architectural Conservation Advisory Committees (LACACs);
Developed and managed for three years Ministry summer employment programs of architectural research.

Planner, City of Halifax (Halifax) 1974

Student intern, prepared heritage conservation guidelines and municipal policies under direction of the Director of Planning.

Planner, Project Planning Associates (Toronto) 1972 - 1973

Supervised implementation of Green Park Project (Prince Edward Island), including research and restoration of 19c house, design and construction of maritime museum, and development of adjacent provincial park;
Gathered data and prepared reports on impact of development on properties owned by Ontario Ministry of Housing and Ontario Hydro.

Researcher, Parks Canada (Ottawa) 1971 - 1972

Conducted in-depth research for the Canadian Inventory of Historic Building in two communities and supervised 12 researchers conducting survey in 7 locations

5. Honours

Elected Fellow, Royal Architectural Institute of Canada, February 2008

Visiting Scholar-in-Residence, Massey College, Toronto, 2007 – 2008

Elected *Senior Fellow*, Massey College, Toronto, 2005 –

Award for Outstanding Achievement / Prix d'Excellence, Canadian Museum Association for *Interpretations of Nature*, 1995

Resident, Leighton Artists' Colony, Banff Centre for the Arts, 1993

Christopher Tunnard Memorial Scholarship, Yale University, 1993

Finalist, *All-School Design Competition*, Yale School of Architecture, 1993

Canada Mortgage and Housing Corporation Graduate Scholarship, 1991 - 1993

A.B. (Magna cum laude), Princeton University, 1971

6. Academic Administration and Service to the University

Member, Senate Appeals Committee, 2010 – present

Senator, Faculty of Engineering, Architecture and Science Representative, Ryerson University Senate, 2008 – 2010.

Member, Senate By-laws Committee, 2008 – 2009.

Member, Presidential Appointment Review Committee, 2008 – 2009.

Chair, Department of Architectural Science, Ryerson University, 2002 – 2007.

Member, President's Master Planning Advisory Committee, 2005 – 2008.

Member, Search Committee, Vice Provost, Academic, 2004 – 2005.

Member, Faculty Appeals Committee, 2003 – 2007.

Member, Faculty Teaching Awards Committee, 2002 – 2003.

Member, Faculty Research Awards Committee, 2003 – 2004.

Member, Faculty Merit Review Committee, 2003 – 2007.

Member, University Learning and Teaching Office Review Committee, 2003 – 2004.

Member, Ryerson University Alumni Planning Task Force, 2004 – 2005.

Member, School of Graduate Studies, 2003 – present.

Chair, *Curriculum Committee*, Department of Architectural Science, Ryerson University, 2001 – 2002.

Thesis Year Coordinator, *ARC041 – Fourth Year Thesis*, Ryerson University, 2001 – 2002.

Departmental Representative, *Ryerson Faculty Association*, Ryerson University, 2001 – 2002.

Principal Instructor, *Harvard Design School, Career Discovery Program*, Harvard University, Summer 2000.

Acting Director, *Master of Architecture Programme*, Faculty of Architecture, Landscape, and Design, University of Toronto, 1999 – 2000.

Member, *Executive Committee*, Faculty of Architecture, Landscape, and Design, University of Toronto, 1999 – 2000.

Chair, *Library Committee*, Faculty of Architecture, Landscape, and Design, University of Toronto, 1999 – 2000.

Member, *Admissions Committee*, Yale School of Architecture, New Haven, 1991.

Member, *Rules Committee*, Yale School of Architecture, New Haven, 1992, 1993.

7. Service to the Profession and Community

Charrette Facilitator, *Shuter Street Charrette*, City of Toronto, Urban Design Group, March 2003.

Member, *Ultraviolet Working Group*, Toronto Cancer Prevention Coalition, 2001 – present.

Member, *Ontario Sun Safety Working Group* 2002 – present.

Professional Advisor, City of Toronto, Street Furniture Competition, January 2007.

Heritage Canada, Educator's Round Table, Participant, Ottawa, Ontario, May 2004.

Member, *Design Industry Advisory Committee*, Design Exchange, Toronto, Ontario, February – April 2004.

Chair and Member of Executive, *Toronto Society of Architects*, Toronto, 1995 – 1998.

Advisor, *Mackenzie House Grounds Committee*, Ontario Historical Society, North York, 1994 – 1996.

Founding Director, *Bureau of Architecture and Urbanism*, Toronto, 1986.

President, *Society for the Study of Architecture in Canada*, 1980 - 1982 and Member of the Executive (Vice President and Secretary), 1977 – 1980.

Member, Advisory Council, *Bureau of Municipal Research*, Toronto, 1983.

8. Graduate supervision and design reviews

Master of Architecture Thesis Advisor: Jon Pascaris, "Healthy Landscapes." Thesis for Master of Architecture, Scheduled completion: September 2011.

Master of Architecture Thesis Advisor: Karl Van Es, "Regenerating the Great Lakes Elevator" Thesis for Master of Architecture, Scheduled completion: September 2011.

Master of Architecture Thesis Advisor: Steven Mauro, "Transmutating Patterns." Thesis for Master of Architecture, Scheduled completion: September 2011.

Master of Planning in Urban Development, Major Research Paper. Mitchell Roland Sutherland Patterson. "Feminist Approaches to Design: Improving spatial audit initiatives." Major Research Paper for Master of Planning in Urban Development. Completed April 2011.

Guillamue Ethier, Doctoral Candidate, Université du Québec à Montréal (UQAM) and at the Institut National de Recherche Scientifique (INRS-USC). "Iconic architecture and its relationship to systemic theory and ideology." Advisor. In progress. Scheduled completion: December 2011.

Master or Landscape Architecture, University of Toronto, Daniels Faculty of Architecture, Landscape, and Design. Design Reviews, May 2011.

Outside Reader, Committee Member and External Examiner, Ph. D Thesis prepared by Julia Scalzo, Department of Fine Art History, Faculty of Arts and Sciences, University of Toronto, September 2000, Mark Gottlieb, Department Chair, Douglas Richardson, Thesis Supervisor

Invited Critic and Jury Member, Master of Architecture, University of Toronto, First Year Design Reviews, 2000, Larry Richards, Dean.

Invited Critic and Jury Member, Master of Landscape Architecture, University of Toronto, First Year Design Reviews, 2000, Larry Richards Dean, Robert Wright, Chair, Programs in Landscape Architecture.

Invited Studio Critic, Master of Architecture, Yale University, Third Year Design Studio, Winter 2001, Brigitte Shim, Studio Instructor.

Invited Studio Critic, Master of Architecture, École Polytechnique de Lausanne (Switzerland), Third Year Design Studio, Winter 2002, Brigitte Shim, Studio Instructor.

9. Graduate courses taught

Associate Professor, Ryerson University, Master of Architecture, AR8105, Intensive Research Studio and Seminar, Spring 2009, 2011

Associate Professor, Ryerson University, Master of Plannin in Urban Development,

PL8313, Nature as a Cultural Construct, Fall 2009, Spring 2011

Assistant Professor and Adjunct Assistant Professor, University of Toronto, School of Architecture, Landscape and Design (Toronto), 1988 – 2003, 2007 –

LAN2036F1, Graduate Seminar, “Canada, Nature Nation,” 2008

LAN2036F, Graduate Seminar, “Nature as a Cultural Construct,” 2007

LAN 1032S, Theory II, Graduate Landscape Theory Seminar, First Year Graduate Students, 2003, 2002, 2001, 2000

LAN 1011F, Studio I, Master of Landscape Architecture, first year design studio, 1999

Adjunct Assistant Professor, Columbia University Graduate School of Architecture and Urban Planning, Division of Historic Preservation (New York), 1983 - 1984

First Year Graduate School, Preservation Theory and Preservation Planning

10. Funding for Research, Contracts, Travel, Publications and Conference Organization

Title:	<i>First International Conference on Skin Cancer Prevention</i>
Year:	2010 – 2011
Source:	Ryerson University, Dean's and Chair's Travel Funds
Type:	Travel Grant
Amount:	\$1,400
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none
Purpose:	Travel to present at two workshops to the first annual conference on Skin Cancer Prevention, Copenhagen Denmark, May 2 – 5 2011.

Title:	<i>Venice Biennale</i>
Year:	2010 – 2011
Source:	Ryerson University, Dean's and Chair's Travel Funds
Type:	Travel Grant
Amount:	\$1,400
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none
Purpose:	Travel to investigate Venice Biennale for preparation of a grant proposal for an exhibition on Toronto architecture at the Biennale in 2014.

Title:	<i>Shade Design on Line</i>
Year:	2009 – 2010
Source:	GTA Cancer Prevention Coalition
Type:	Community Grant
Amount:	\$13,500
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none
Purpose:	To prepare a website on Shade Design for Skin Cancer Prevention

Title:	<i>John Caulfield Smith, Author / Architect</i>
Year:	2009 – 2010
Source:	Dean and Chair's Travel Fund
Type:	Travel Grant
Amount:	\$650
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none
Purpose:	Travel to Lunenburg NS to present a paper at the Annual Meeting, Society for the Study of Architecture in Canada, 27 May 2010.

Title:	<i>"Austerlitz: Reading, Research and Design."</i>
Year:	2008 – 2009

Source:	Ryerson University, Dean's and Chair's Travel Funds
Type:	Travel Grant
Amount:	\$1,400
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none
Purpose:	Travel to present paper to the Annual Meeting, Environmental Design Research Association, Kansas City, Missouri, May 2009

Title:	"Society for the Study of Architecture in Canada – Annual Meeting"
Year:	2008 – 2009
Source:	Office of Research Services, Dr. Anastasios Venetsanopoulos
Type:	Conference Grant
Amount:	\$3,000
Awarded by competitive process?	No
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	Dr. Sharon Vattay
Purpose:	To implement the Annual Meeting of the Society for the Study of Architecture in Canada, to be held at Ryerson University in 2009.

Title:	"Society for the Study of Architecture in Canada – Annual Meeting"
Year:	2008 – 2009
Source:	Office of the University Provost, Dr. Alan Shepard
Type:	Conference Grant
Awarded by competitive process?	No
Amount:	\$3,000
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	Dr. Sharon Vattay
Purpose:	To implement the Annual Meeting of the Society for the Study of Architecture in Canada, to be held at Ryerson University in 2009.

Title:	"Society for the Study of Architecture in Canada – Annual Meeting"
Year:	2008 – 2009
Source:	Office of the Dean, Faculty of Engineering, Architecture and Science, Stalin Boctor
Type:	Conference Grant
Awarded by competitive process?	No
Amount:	\$3,000
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	Dr. Sharon Vattay
Purpose:	To implement the Annual Meeting of the Society for the Study of Architecture in Canada, to be held at Ryerson University in 2009.

Title:	"City of Toronto Shade Audit Pilot Project"
Year:	2008 – 2009
Source:	GTA Cancer Prevention Coalition
Type:	Project Grant

Awarded by competitive process?	Yes
Amount:	\$23,500
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Partners	City of Toronto Public Health City of Toronto Parks and Recreation UVR Working Group, Toronto Cancer Prevention Coalition

Title:	"Ontario Health Units, Sun Safety Survey, Update, 2007 – 2008
Year:	2008 – 2009
Source:	Ryerson University, Office of Research Services
Type:	Research Assistant (Fall/Winter)
Amount:	\$1,750
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	Dr. Cheryl Rosen, University of Toronto

Title:	"Ontario Health Units, Sun Safety Survey, Update, 2007 – 2008
Year:	2008 – 2009
Source:	Canadian Cancer Society
Type:	Project Grant
Amount:	\$5,750
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none

Title:	"Buildings, Time and Memory: W. G. Sebald's Austerlitz and the Revealing of a Lost Past"
Year:	2007 – 2008
Source:	Ryerson University, Dean's and Chair's Travel Funds
Type:	Travel Grant
Amount:	\$1,400
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none
Purpose:	Travel to present paper to the Annual Meeting, Association of Collegiate Schools of Architecture, Houston, Texas, March 2008.

Title:	"The Modern Landscape: Vimy and Gréber" <i>Society for the Study of Architecture in Canada Annual Meeting, Yellowknife, June 2008</i>
Year:	2007 – 2008
Source:	Ryerson University, Dean's and Chair's Travel Funds
Type:	Travel Grant
Amount:	\$1,400
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none

Purpose:	Travel to present paper to the Annual Meeting, Society for the Study of Architecture in Canada, Yellowknife, NWT, June 2008.
----------	--

Title:	"Finding Beauty: Toronto's Clean & Beautiful City Initiative." ISOCARP, Annual Meeting. Antwerp, Belgium, 20 September 2007.
Year:	2007 – 2008
Source:	Ryerson University, Dean's Travel Funds
Type:	Travel Grant
Amount:	\$1,000
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none
Purpose:	Travel to present paper to the Annual Meeting, International Society of City and Regional Planners, Antwerp, Belgium, 20 September 2007.

Title:	"Review of UVR Protection (Shade) Policies and Programs in Australia"
Year:	2007 – 2008
Source:	Ryerson University, Office of Research Services
Type:	Research Assistant (Fall/Winter)
Amount:	\$1,750
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none

Title:	"The Canadian Cottage"
Year:	2006 - 2007
Source:	Ryerson University, Office of Research Services
Type:	Research Assistant (Fall/Winter)
Amount:	\$1,750
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none

Title:	"Seeing the Beautiful City"
Year:	2006 – 2007
Source:	Ryerson University, Office of Research Services
Type:	Research Assistant (Summer)
Amount:	\$5,000
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none

Title:	"Viceroy Homes and the Canadian Cottage"
Year:	2005 – 2006
Source:	Ryerson University, Office of Research Services
Type:	Research Assistant (Fall/Winter)
Amount:	\$1,750

Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none

Title:	"The Small House in Print"
Year:	2004 – 2005
Source:	Ryerson University, Dean's Travel Funds
Type:	Travel Grant
Amount:	\$500
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none
Purpose:	Travel to present paper to the Annual Meeting, Society for the Study of Architecture in Canada, Lethbridge, Alberta, June 2005.

Purpose:	Research Assistant for archival research.
Title:	"The House in the Magazine"
Year:	2004 – 2005
Source:	Ryerson University, Office of Research Services
Type:	Research Assistant (Fall/Winter)
Amount:	\$1,750
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none
Purpose:	Research Assistant for archival research.

Title:	"Designing for Shade – Marketing"
Year:	2004 – 2005
Source:	Ryerson University, Office of Research Services
Type:	Other (Publications Grant)
Amount:	\$1,000
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none
Purpose:	"Publications Grant" for preparation of manuscript for publication.

Title:	"Designing for Shade – Marketing"
Year:	2004 – 2005
Source:	Ryerson University, Office of Research Services
Type:	Research Assistant (Fall/Winter)
Amount:	\$1,750
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none
Purpose:	Research Assistant for manuscript preparation.

Title:	"Designing for Shade – Conference Presentation"
Year:	2004 – 2005
Source:	Dean, Faculty of Engineering and Applied Science
Type:	Travel Grant
Amount:	\$250
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	none
Purpose:	Travel Grant for travel to Ontario Public Health Association Conference for presentation of results of "Designing for Shade" project.

Title:	"CELA – Conference Presentation"
Year:	2003 – 2004
Source:	Dean, Faculty of Engineering and Applied Science Chair, Department of Architectural Science
Type:	Travel Grant
Amount:	\$1400
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	None
Purpose:	Travel Grant for travel to 2003 CELA Conference.

Title:	"CSLA – Conference Presentation"
Year:	2003 – 2004
Source:	Dean, Faculty of Engineering and Applied Science Chair, Department of Architectural Science
Type:	Travel Grant
Amount:	\$1000
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	None
Purpose:	Travel Grant for travel to 2003 CSLA Conference.

Title:	"Designing for Shade – Marketing"
Year:	2002 – 2003
Source:	TWG Communications
Type:	Grant in Kind (donated services)
Amount:	\$4,000
Awarded by competitive process?	No
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	Dr. Lynne From, Women's College Hospital,
Purpose:	To market project.

Title:	"Designing for Shade – Registration Packages"
Year:	2002 – 2003
Source:	Pharma Plus
Type:	Grant in Kind (Samples)

Amount:	\$1,000
Awarded by competitive process?	No
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	Dr. Lynne From, Women's College Hospital,
Purpose:	To provide conference participants with skin care and sun products.

Title:	"Designing for Shade – Project"
Year:	2002 – 2003
Source:	City of Toronto
Type:	Other (Honorarium)
Amount:	\$2,000
Awarded by competitive process?	No
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	Dr. Lynne From, Women's College Hospital
Purpose:	To implement conference on public shade and skin cancer prevention.
Note:	Honorarium was received for coordinating Shuter Street Charrette. The Honorarium was turned over to the Project.

Title:	"Designing for Shade – Project"
Year:	2002 – 2003
Source:	Office of Research Services, Dr. Judith Sandys
Type:	Conference Grant
Awarded by competitive process?	No
Amount:	\$3,000
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	Dr. Lynne From, Women's College Hospital
Purpose:	To implement conference on public shade and skin cancer prevention.

Title:	"Designing for Shade – Project"
Year:	2002 – 2003
Source:	Faculty of Engineering and Applied Science, Dean Stalin Boctor
Type:	Conference Grant
Amount:	\$3,000
Awarded by competitive process?	No
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	Dr. Lynne From, Women's College Hospital
Purpose:	To implement conference on public shade and skin cancer prevention.

Title:	"Designing for Shade – Project"
Year:	2002 – 2003
Source:	Ontario Association of Landscape Architects
Type:	Project Grant
Amount:	\$1,500
Awarded by competitive process?	No
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University

Other Investigators	Dr. Lynne From, Women's College Hospital
Purpose:	To implement conference on public shade and skin cancer prevention.

Title:	"Designing for Shade – Project"
Year:	2002 – 2003
Source:	Canadian Wood Council
Type:	Project Grant
Amount:	\$2,500
Awarded by competitive process?	No
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	Dr. Lynne From, Women's College Hospital
Purpose:	To implement conference on public shade and skin cancer prevention.

Title:	"Designing for Shade – Conference Planning"
Year:	2002 – 2003
Source:	Fujisawa Pharmaceutical
Type:	Project Grant
Amount:	\$8,000
Awarded by competitive process?	No
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	Dr. Lynne From, Women's College Hospital
Purpose:	To implement conference on public shade and skin cancer prevention.

Title:	"Designing for Shade – Participant"
Year:	2002 – 2003
Source:	Canadian Cancer Society
Type:	Project Grant
Amount:	\$7,000
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	Dr. Lynne From, Women's College Hospital
Purpose:	To implement conference on public shade and skin cancer prevention.

Title:	"Designing for Shade – Design Charrette"
Year:	2002 – 2003
Source:	Toronto Society of Architects
Type:	Project Grant
Amount:	\$5,000
Awarded by competitive process?	No
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	Dr. Lynne From, Women's College Hospital, Baruch Zone, Assistant Professor, Ryerson University
Purpose:	To implement design charrette on public shade and skin cancer prevention.

Title:	"Designing for Shade – Conference Planning"
Year:	2001 – 2002
Source:	Cancer Care Ontario

Type:	Project Grant
Amount:	\$4,000
Awarded by competitive process?	Yes
Principal Investigator:	George Thomas Kapelos, Department of Architectural Science, Ryerson University
Other Investigators	Dr. Lynne From, Women's College Hospital
Purpose:	To implement conference on public shade and skin cancer prevention.

Title:	"Designing for Shade – Conference Planning"
Year:	2001 – 2002
Source:	Cancer Care Ontario
Type:	Project Grant
Amount:	\$4,000
Awarded by competitive process?	Yes
Principal Investigator:	George Kapelos
Other Investigators	Dr. Lynne From, Women's College Hospital
Purpose:	To develop conference on Ultraviolet radiation and public shade.

Title:	"Designing for Shade – Feasibility Study"
Year:	2000 – 2001
Source:	City of Toronto, Department of Public Health
Type:	Project Grant
Amount:	\$5,300
Awarded by competitive process?	No
Principal Investigator:	George Kapelos
Other Investigators	Dr. Lynne From, Women's College Hospital
Purpose:	to explore the feasibility of an inter-disciplinary conference on the provision of shade to limit exposure from ultraviolet radiation

Funding received prior to 2000

Title:	"Course Studies – Tracking Ontario's Thames / An exploration of the River"
Year:	1997
Source:	Ivey Foundation Museums Assistance Program, Department of Canadian Heritage Trojan Technologies
Type:	Project Grant
Amount:	Ivey Foundation: \$25,000 Museums Assistance Program: \$35,000 Trojan Technologies: \$15,000
Awarded by competitive process?	Yes
Principal Investigator:	Lynn DiStefano (Initially) Department of Architecture, University of Hong Kong George Kapelos became Principal Investigator in 1999
Other Investigators	Lynn DiStefano, Department of Architecture, University of Hong Kong Steven Evans, Photographer
Purpose:	To research the Thames River in Ontario and prepare an exhibition with accompanying catalogue on the river.

Title:	"Interpretations of Nature"
Year:	1993
Source:	Banff Centre for the Arts
Type:	Other (Residency)
Amount:	\$5,000
Awarded by competitive process?	Yes
Principal Investigator:	George Kapelos
Other Investigators	None
Purpose:	Three-month residency to write catalogue essay.

Title:	"Globalization and Tradition – Architecture in Newfoundland Since 1975"
Year:	1974
Source:	Canada Council for the Arts
Type:	Project Grant
Amount:	\$10,000
Awarded by competitive process?	No
Principal Investigator:	Douglas Richardson (University of Toronto)
Other Investigators	Shane O'Dea (Memorial University of Newfoundland) George Kapelos
Purpose:	To investigate traditional architecture of Newfoundland outport communities
Other Information:	

11. Publications and Creative Works

11.1 Lifetime Summary

	Item	Number
11.1	Books authored	2
11.2	Books edited	0
11.3	Chapters in books	3
11.4	Papers in refereed journals	2
11.5	Papers in refereed conference proceedings	7
11.6	Exhibitions, competitions	7
11.7	Films, videos, radio documentaries, interviews	9
11.8	Reviews and Architectural Criticism	18
11.9	Creative Writing	4
11.10	Other papers	5
11.11	Technical reports	19
11.12	Abstracts and/or papers read at conferences	17
11.13	Other conference activities	15
11.14	Other journal activities	2
11.15	Other presentations	10
11.16	Architectural Design Juries	6

11.2 2004 – 2011 [Full citations, (*R) next to a citation indicates a refereed work].

11.2.1 Books Authored

Interpretations of Nature, Kleinberg: McMichael Canadian Art Collection, 1994. Exhibition catalogue, essay and description of works. 152 pages.

11.2.2 Books Edited

None

11.2.3 Chapters in books

“Looking and seeing: TOBrut, concrete, and the education of the architect” in *TOBrut*, Graeme Stewart and Michael McClelland Editors, Toronto: Coach House Press, 2007, 81 – 84.

“A Modern Vision” in *Toronto Modern : Architecture 1945 – 1965*, Toronto: Coach House Press, 2002, 47 – 51.

“Introduction,” “The Constructed Landscape,” “Picture,” and “Afterword” in *Course Studies – Tracking Ontario’s Thames: An Exploration of the River*, London: Museum London, 2001, 7 – 11, 28 – 58, 97 – 99.

11.2.4 Papers in Refereed Journals

(*R) “The Small House in Print – Promoting the modern home to post-war Canadians through pattern books, journals and magazines.” *Journal, Society for the Study of Architecture in Canada*, V.34, No.1 2009, 33 – 60.

(*R) “Finding Beauty: Toronto’s Clean & Beautiful City Initiative.” *Urban Trialogues : Co-productive ways to relate visioning and strategic urban projects. ISoCaRP Review 03, Journal of the International Society of City and Regional Planners*. (2007), 124 – 145. With Iain Myrans, Co-author.

11.2.5 Papers in Refereed Conference Proceedings

(*R) "Buildings, Time and memory: W. G. Sebald's Austerlitz and the revealing of a lost past." *Seeking the City: Visionaries on the Margins. Proceedings, 96th ACSA Annual Meeting*. Dietmar Froelich and Michaela Pride, Editors. Washington: ACSA Press, 2008, 85 – 91.

(*R) "Finding Beauty: Toronto's Clean & Beautiful City Initiative." *ISOCARP*, Annual Meeting. Antwerp, Belgium, 20 September 2007.

(*R) "Developing a Research Agenda" *Architectural Research Centres Consortium*, Annual Meeting, Philadelphia, Pennsylvania, 1 June 2006.

(*R) "Tracking Ontario's Thames – An Exploration of the River" *International Federation of Landscape Architects / Canadian Society of Landscape Architects*, Annual Meeting, Calgary, Alberta, 26 May 2003.

11.2.6 Exhibitions, Competitions

Tracking Ontario's Thames – An Exploration of the River, Museum London (London), November 2001 – January 2002, with Steven Evans, Photographer; Lynne DiStefano, Essayist.

Interpretations of Nature, McMichael Canadian Art Collection (Kleinberg), July - October 1994, Curator and Essayist.

Richmond Adelaide Centre, Open Space Plan, Invited Competition, with Ferris & Quinn Landscape Architects, \$1.5 million, finalist, 2001. (*R)

Made for Shade, Design Ideas Competition for the Canadian Dermatology Association, Project Coordinator with Leslie M. Klein, Professional Advisor, 1998.

11.2.7 Films, Videos, Radio Documentaries, Interviews

"Brigitte Shim," *Competitions Magazine*, Summer 2001, 44 – 48.

11.2.8 Reviews and Architectural Criticism

"Learning Experience," *Canadian Architect*, November 2001, 24 – 29.

"Collegial Think Tank," *Canadian Architect*, February 2001, 20 – 25.

"Less is More / Rem Koolhaas' Manifesto Wins at Downsview," *Competitions Magazine*, Fall 2000.

"From Public Eyesore to Public Place / A Major Redesign for Toronto's Dundas Square," *Competitions Magazine*, Winter 1999 – 2000.

"Made for Shade," *Competitions Magazine*, Spring 1999.

"Live!" *The Canadian Architect*, September 1998.

"Metro Toronto Convention Centre," *The Canadian Architect*, September 1997.

11.2.9 Creative Writing

"Nature and the Inquisitive Lens," in *Deep Into the City*, photographs by Steven Evans, the Market Gallery, Toronto, 1995.

"William Alsop and the Ontario College of Art and Design," *OCAD Bulletin*, Winter 2001.

11.2.10 Essays and Other Papers Presented

“UV Protection through Shade.” Webinar, Ontario Sun Safety Working Group, Toronto, Ontario, 27 February 2009.

“Building for Shade : Planting for Shade.” Presenter, *Where’s the Shade? : A Community Forum*. Southwest (Ontario) Public Health Cancer Prevention Network, London, Ontario, 30 September 2008.

“Ecology/art in mind: our river our land.” Keynote Address, Centre for Creativity, Kings University College, The University of Western Ontario, London, Ontario, February 2007.

“Towards a new approach for monuments” at *Dimensions and Directions of Canadian Architecture* Symposium to honour Dr. Michael McMordie and to celebrate the University of Calgary’s 40th anniversary and the Faculty of Environmental Design (EVDS) 35th year, Calgary (Alberta), October 2007.

“The Small House in Print: 1945 – 1962” *University of Toronto, Faculty of Architecture, Landscape and Design*, Seminar, Toronto, Ontario, October 2005.

“Heritage Conservation in Toronto” GTA Forum (with York University and the University of Toronto), May 2002.

“Constructions of Nature” Museum London, November 2002.

11.2.11 Research Reports and Findings

George Thomas Kapelos. *City of Toronto Public Playgrounds and Waterplay Facilities Shade Audit Pilot Study. A Report on the Project Findings to the City of Toronto, Division of Parks, Forestry and Recreation, Toronto Public Health, and the GTA Cancer Prevention and Screening Network*. 15 February 2010. 3 vols. 67 p. + appendices

George Thomas Kapelos, with Cheryl Rosen MD. *Report and Findings, Survey of UV Awareness Activities and UV Protection Policies in Ontario Public Health Units, 2007 – 2008. A report to Cancer Care Ontario and the Ontario Sun Safety Working Group*. 30 April 2010. 46 p. + appendices.

Town of Halton Hills, *Glen Williams Heritage Conservation District*, Review of Planning Documentation, 1999 – 2000

Humber College Master Plan, with Taylor Hazell Architects (Toronto), 1997

11.2.12 Abstracts and/or Papers Read at Conferences

George Kapelos with Cheryl Rosen MD. “An Ontario Report: Public Health in Aid of Skin Cancer Prevention.” Canadian Public Health Association Conference, Montreal. 20 – 22 June 2011. Paper accepted for presentation at workshop.

George Kapelos. “Interactive Architecture in a City Park for UVR Reduction and Skin Cancer Prevention.” First International Conference on Skin Cancer Prevention. Danish Cancer Council, Copenhagen Denmark, 2 – 5 May 2011. Workshop presentation.

George Kapelos with Cheryl Rosen MD. “An Ontario Report: Public Health in Aid of Skin Cancer Prevention.” First International Conference on Skin Cancer Prevention. Danish Cancer Council, Copenhagen Denmark, 2 – 5 May 2011. Workshop presentation.

George Kapelos, with Cheryl Rosen MD. "How Sun-smart are we? A review of the findings of the survey of UV Awareness Activities and UV Protection Policies in Ontario Public Health Units, 2007-2008." *Daphne Cockwell School of Nursing 3rd Annual Research Day*. Ryerson University. 7 June 2010.

George Kapelos. "John Caulfield Smith: Profile of an architect as writer, editor and advocate." *Society for the Study of Architecture in Canada, Annual Meeting*. Lunenburg, Nova Scotia. 27 May 2010.

George Kapelos. "Making playgrounds sun-safe: a report on the Toronto Public Playground & Waterplay Facilities Shade Audit, Pilot Project." *Children's Health and the Environment: International workshop on research, policy and practice*. Urban Development Program, Department of Geography University of Western Ontario. London, Ontario. 28 – 30 June 2010.

George Kapelos, with Cheryl Rosen MD. *Survey of UV Awareness Activities and UV Protection Policies in Ontario Public Health Units, 2007-2008*. Daphne Cockwell School of Nursing 2nd Annual Research Day. Ryerson University. 24 June 2009. Poster.

George Kapelos. *Toronto Public Playground & Waterplay Facilities Shade Audit, Pilot Project*. Daphne Cockwell School of Nursing 2nd Annual Research Day. Ryerson University. 24 June 2009. Paper.

"Austerlitz: Reading, Research and Design." Panel Member, "Literature, Human Behavior, and the Built Environment." Annual Meeting, Environmental Design Research Association (EDRA40), Kansas City, Missouri, 27 – 31 May 2009. Panelist.

"The Modern Landscape: Vimy and Gréber" *Society for the Study of Architecture in Canada Annual Meeting*, Yellowknife, June 2008.

"Finding Beauty" *ISOCarP Annual Meeting*, Antwerp, Belgium, September 2007.

"Abolish Heritage!" *Society for the Study of Architecture in Canada Annual Meeting*, Montreal, June 2007.

"Heritage: the word itself," *Society for the Study of Architecture in Canada Annual Meeting*, Montreal, June 2007.

"Update: Built Shade." *Shade for Good Health*, Toronto Public Health Conference, Toronto, Ontario, May 2007.

"Setting the *Setting*" Invited Lecture, ICOMOS Canada, Annual Meeting, Toronto, Ontario, September 2005.

"The Small House in Print: 1945 – 1962" *Society for the Study of Architecture in Canada Annual Meeting*, Lethbridge, Alberta, June 2005.

"A phenomenological model for Understanding the Thames watershed" *Ontario Provincial Planners Institute / Ontario Association of Landscape Architects*, Annual Meeting, Huntsville, Ontario, 19 September 2003.

"The eidetic reduction in landscape" *Council of Educators in Landscape Architecture*, Annual Meeting, Charleston, South Carolina, 25 September 2003.

"Ryerson University's 'Designing for Shade' Project" *Ontario Public Health Association*, Annual Meeting, Windsor, Ontario, 3 November 2003.

“Greening the Curriculum” Presenter, Université de Montréal, August 2002.

11.2.13 Other conference activities

Session Chair. “My little cabin in the woods!” Annual Meeting, Society for the Study of Architecture in Canada. University of Quebec at Chicoutimi. May 25 – 28, 2011.

Conference Chair and Conference Scientific Committee Chair. Annual Meeting, Society for the Study of Architecture in Canada. Ryerson University. 20 – 24 May 2009.

Presenter, “Shade Update,” Canadian Consultation on Cancer, Port Credit, Ontario May 2008

Moderator, Paper Reviewer and Member, Technical and Academic Committee, “Technology – Up Front and Local” SB07 – Toronto Regional Sustainable Building and Construction Conference, Toronto, Ontario, May 2007

“Shade Policy for the City of Toronto” Panel Moderator and Presenter, *Canadian Institute of Planners / Ontario Provincial Planners Institute*, Annual Meeting, Toronto, Ontario, July 2004

Session Organizer and Co-chair (with Marco Polo), “Projecting Futures” *Society for the Study of Architecture in Canada*, Annual Meeting, Queen’s University, Kingston, Ontario, June 2004

“Modernity and some contradictions in its aftermath” “Designing for Shade”, *Public Forum* Ryerson University, Toronto, Ontario, 12 June 2003

“Why we must design for shade” “Designing for Shade” *Charrette*, Ryerson University, Toronto, Ontario, 7 June 2003

Session Chair, “Technology and Conservation” *Meeting of the Association of Preservation Technology International*, Toronto, September 2002

Conference Organizer, *Harvard Graduate School of Design, Class of 1975 Meeting*, Sessions organized: “Technology and Practice,” “The Education of the Design Professional” and tour of Boston area projects and sites, September 2000

Tour, “Public Parks and Places, 1998 – 2000”, Society of Architectural Historians, Annual Meeting, Toronto, April 2001

11.2.14 Other Journal Activities

Guest Editor. *Journal of the Society for the Study of Architecture in Canada*. V. 35. No. 2, 2010 Conference Issue.

George Thomas Kapelos “Foreword” in *Journal of the Society for the Study of Architecture in Canada*. V. 35. No. 2, 2010 Conference Issue.

George Kapelos (with others) “George Baird’s Provocative Wisdom.” *Canadian Architect*. May 2010. V. 54, no. 5, 2010, 54 – 65.

Reviewer, *Landscape Journal*, 2003 – 2008

Member, Editorial Board, *Competitions Magazine*, 2001 –

Consultant to the *New Canadian Encyclopaedia*, Hurtig Publications, Edmonton, 1997

11.2.15 Architectural Competitions: Juror and Professional Advisor

Professional Advisor, *City of Toronto Street Furniture Competition*, Toronto, January 2007.

Juror, Ontario Association of Architects, *Annual Awards*, April 2005.

Juror, "Master Builders' Exhibition," Design Exchange Exhibition, Toronto, April 2004.

Juror, *Woodworks!* Third Annual Canadian Wood Council Annual Awards, Canadian Wood Council : Ontario Forest Industries Association, Toronto, July 2003.

Juror, *Hellenic Museum and Cultural Centre Design Competition*, Chicago Hellenic Museum, Chicago, Illinois, October 2000.
