

SA+P Events

Join UNM SA+P for the next of our Spring Lectures!

Arlene Blum, Executive Director of the Green Science Policy Institute, and Research Associate of Chemistry at UC Berkeley will present "Six Classes: The Chemical Class Approach Towards Healthy Buildings, People, and Environment" on Friday, February 16 at 5:30 pm at Garcia Honda Auditorium.

Join UNM School of Architecture + Planning for the 2018 Jeff Harnar Award lecture on **Friday, February 23rd**, at 5:00 pm in **George Pearl Hall**. This year's speaker is Yuko Nagayama of Tokyo, Japan.

Ms. Nagayama is an award-winning architect who has designed museums, private homes, and commercial buildings. In 2012, she was named to the Architectural Record Magazine list of the Design Vanguard, and has also won numerous prestigious awards in Japan.

News + Features

Thank you to everyone who attended the first two speakers of our Spring 18 Lecture Series, Ronald Rael and Kate Orff.

Missed a UNM SA+P lecture? You can now watch a collection of past lectures on the [UNM SA+P YouTube](#) page!

UNM iD+Pi faculty will be presenting at the 2018 Creative Placemaking Leadership Summit, Southwest in April.

The presentation will cover Zuni Pueblo Artwalk,

a project by UNM iD+Pi, and the presenters will be joined by Zuni Pueblo community members Evalena Boone and Jeff Shetima.

[2018 CPL Summit, Southwest](#): April 6-7, University of Denver, Colorado.

UNM CRP Professor, Ted Jojola, and colleagues published an article titled "[Indigenous Planning: From Principles](#)" in *Practice in Planning Theory & Practice*.

UNM CPR Professor and Director, Renia Ehrenfeucht, with colleague Marla Nelson published an article titled "Beyond the Jobs versus Amenities Debate: Understanding the Migration of Educated Workers and Implications for Planning" in the *Journal of Planning Education and Research*.
